MKOREAN WWN MATCHES STRATEGIES

For the prediction 0 is undefined but i'll be sharing soon

MATCHES PREDICTION 1

Use Vol 75 and 75 (1s)

REQUIREMENTS

- **Digit 3 should have a green bar**
- **Digit 6 should have a red bar but increasing not decreasing.**
- **The percentage of digit 1 should be higher the Digit 2 percentage**

ENTRY POINT

Wait for the moving cursor to hit the digit 1 the run your bot or click MATCHES if trading manually and make sure that DIGIT 1 is increasing before running your bot.

MATCHES PREDICTION 2

Use only 100 and 100 (1s) volatilities

REQUIREMENTS

- **Green bar should be at digit 7 (MUST)**
- **Digit 2 have 10% or 10.1% or 9.9%**
- **Digit 3 and 8 percentages should be opposite, that is one should increase while another one should decrease and vice versa.**
